

Endorsing Organization Membership Form

All First Benefits Insurance Mutual policyholders must establish membership in an **industry-related endorsing association** or participating chamber of commerce at the time the policy is bound. Please indicate the appropriate membership qualification below. If you do not have a current membership in either a participating chamber of commerce or an industry-related association, the North Carolina Retail Merchants Association is available to all businesses.

The insured will be responsible for initiating the membership process with their industry-related endorsing organization or chamber of commerce. Processing of new business cannot be finalized until membership in one of the endorsing organizations is verified.

First Benefits Insurance Mutual will verify all membership with correlating industry-related associations and chambers of commerce. If an insured joins an association outside of their industry-related activities, then First Benefits Insurance Mutual will notify the agent that the membership does not meet the proper membership requirements.

Direct membership questions to Peg Pirrotta at 888-393-2667, ext. 4003 or ppirrotta@firstbenefits.org.

Insured: _____ DBA: _____
